Work Experience

04/07/2023–Vinci Buildings

Birkirkara

Security Guard – JF Group

Patrols twice a day around the area

Takes note of patrols

Monitors Authorized and Unauthorized on journal

04/07/2022 – 19/09/2022 – Msida Malta

WEB DESIGNER- PLACEMENT – MITA -FACULTY OF ENGINEERING, UNIVERSITY OF MALTA

As a Web Designer, my first task was to research various brand manuals to get an idea of what would be required of me.

I was later tasked with updating an old website, and then in mid-Summer, I was tasked with building one from scratch using the software "Word Press 7 Theme". See link below:

<https://icecapsystems.com/>

DESIGNER - PLACEMENT – MITA - MALTA TOURISM AUTHORITY Valletta Malta Tourism Authority

My role here was as a designer of flight patterns of drones. We had the task of building these flight patterns for multiple drones that would later be flown together to create a drone light show for tourist/guest events.

My task was also to identify appropriate drawing software such as Krita, that would later be incorporated in the drone flight software.

Mcast Certificates

2020/10/01 – 2022/06/23

KFC Cleaning lobby
Marination and sauces
Cooking
Preparation of food and serving

07/08/2018 – 26/09/2018 – Ghajn Tuffieha, Malta

Recommendations

**ANDRE' MICCALLEF – Assistant Lecturer,
Electronic Systems Engineering.**

Mr. Daniel Pace joined our research group through the MITA internship programme. He successfully completed 330 hours from July till September of this year, as part of the ICECAP project, which was funded

by the MCST Technology Development programme.

Amongst other responsibilities, he was tasked with researching and contributing towards the project's brand and marketing strategy.

He also contributed towards building the project's website using Word-Press.

Daniel is an agreeable person, capable of working well with his superiors and workmates. On numerous occasions he demonstrated a very good work ethic, and integrated well with his peers, both inside and outside the office.

I therefore recommend Mr. Daniel Pace. If any further details are required, please feel free to contact me on:

(+356) 7963 0101 or andre.micallef@um.edu.mt.

Josef Camilieri

To whom it may concern

My name is Josef Camilieri I am a social worker. I am proud to offer my recommendation of Mr Daniel Pace 233799m to whom I have personally known for the past 5 years on a personal level as a friend .He is quite a genuine person who likes to take care of other people and quite sociable -mannered when engaged appropriately.

Daniel Pace is a quite person who is task oriented and when prompted appropriately he would deliver and help others with great heart . I am openly say that he has developed a quite resilient pathway in trying to be there for others and support others as it may require .

In addition, Daniel Pace is a family-person who has always presented himself with level headedness and grace. He also has a quite a reflective personality which grants him the ability to assess and to truly make the person comfortable in the interaction with him. In my professional opinion as well , I believe that he can work effectively within a task oriented position given appropriate supervision and training.

Kind Regards
Josef Camilieri

Social Worker
